LaVita - это бренд качественной и невероятно мягкой пряжи.

Она изготавливается в Турции – стране-лидере по производству этой продукции, признанной мастерицами всего мира. Из пряжи LaVita изготавливают свитеры, жилеты, кардиганы, шарфы, шапки, пледы, детские игрушки и другие изделия. Пряжа подходит для любого сезона.

LaVita - это качество.

Кроме того, бренд выступает за экологичность и осознанное потребление. Пряжа LaVita очень прочная и со временем не деформируется, поэтому если вещь вам надоела, её можно распустить и связать что-то новое.

А для вязания детского трикотажа предлагаем особо мягкую гипоаллергенную пряжу – специально разработанную серию Baby для нежной кожи малышей.
